

Granddad !

There's nothing
more delightful
than to see a smiling face
of somebody we care about
who couldn't be replaced,

Even though
we may not see
each other every day
happy thoughts
of loved ones
are never far away,

Spending time
with loved ones

whom we hold close and dear
is one very special way
of brightening
up the year,

It shouldn't take
a special day
to help us realise,
the most important things in life
are love and family ties,

It's the little things
that matter,
a word, a hug, a smile
and greeting
friends and family
that makes our lives worthwhile,

I knew my grandad very well,
and we will all have known him too,
he was an amazingly adventurous and brave grandad,
hearing that he is gone makes

me gloom
but I know that he left
a part of me,
a part that can never disappear
inside of me,
that part is my memories with grandad,
I will miss him,
and I know you will too,
Good-bye Grandad,
WE will miss you !
LOVE-YOU
